

**About TIME dotCom Berhad**

Time is a telecommunications provider that delivers domestic and global data connectivity, cloud computing, data centre and managed services to customers across ASEAN. Powering Time's businesses are its fibre optic network assets that span Malaysia, Singapore, Thailand, Vietnam and Cambodia – countries in which it has an established operational presence. Time's network extends beyond the region to deliver international connectivity via its stakes in numerous submarine cable systems across the globe. Time is headquartered in Shah Alam, Malaysia. Visit <https://www.time.com.my> for more information.
